

Embed a senior AI engineer. Ship one production system in 30 days.

Aetheris is Frezer Kifle's independent FDE practice. He sits in your repo, ships one system your team can run, then stays, hands off, or converts to hire. Not an agency catalog. Not a \$497/mo chatbot.

ENGAGEMENT

Scope call

One use case. Go or no-go.

Free · 20 min

Diagnostic

Spec, architecture, 30-day plan. First two logos \$3,000. Credited to sprint.

\$5,000 · 5 days

Ship Sprint

One production system. Repo, docs, handoff.

\$22,000 · 4 weeks

Embed

Or \$1,400/day. Next systems + training.

\$26,000 / mo

Convert to hire

Last paid month credits if you hire Frezer FTE.

Credit 50%

WHAT SHIPS

01 Internal knowledge that answers

RAG on docs, tickets, SOPs. Evals. Human in the loop.

02 Revenue capture on what you have

Qualify, book, follow up on the site or CRM you already run.

03 Kill the spreadsheet

One ops tool in production: intake, dispatch, claims, shortlists.

PROOF YOU CAN CLICK

Dun & Bradstreet

FastAPI / Django, LLM features, RAG on enterprise financial data.

RoadWise Dispatch

rwdispatchnow.com — 24/7 logistics ops platform.

PA Care Finder

pacarefinder.com — 994 licensed homes + family concierge.

Heall Hydro · Word of Life

heallwell.com · wol-ecl.org — live client embeds.
